In light of this fact, why are so many schools and districts struggling to reap the benefits of RTI? Some schools mistakenly view RTI as merely a new way to qualify students for special education, focusing their efforts on trying a few token regular education interventions before referring struggling students for traditional special education testing and placement.

## **The Why Behind RTI - Educational Leadership**

Earlier, we discussed why having a leadership philosophy is essential. The importance is based on Character, Consistency, and Collaboration. Understanding the value may be the easy part. The challenge is in taking the time to develop your leadership philosophy and then use it. The process to develop ...
