Bubbles (born April 30, 1983) is a common chimpanzee once kept as a pet by American recording artist Michael Jackson, who bought him from a Texas research facility in the early 1980s. Bubbles frequently traveled with Jackson, leading to media mockery and a public perception of Jackson as eccentric. During the Bad world tour, for example, Jackson brought Bubbles to Japan, where they drank tea ...

The most popular email list building advice is to entice potential subscribers with a free download. But once you’ve figured out what your freebie is going to be and have your PDF all ready, you’re stuck trying to figure out where to upload and link your file so that your subscribers will get it automatically (and no one else will be able to find it without subscribing).
