Love addiction is a proposed model of pathological passion-related behavior involving the feeling of being in love. A medical review of related behaviors in animals and humans concluded that current medical evidence does not support an addiction model for maladaptive passion-related behaviors. There has never been a reference to love addiction in the Diagnostic and Statistical Manual of Mental ...

This list consists of many notable people who identify as transgender. The individual listings note the subject's nationality and main occupation. In many non-Western and ancient or medieval societies, transgender people are seen as a different gender in itself, and there is a separate category for them, one that is different from the binary 'men' and 'women'. They are often described ...
