“Making the Transition”™ is an initiative developed by the TRAEF that assists school districts in understanding how current industry-based education and support programs meet hospitality industry needs.

MAKING THE TRANSITION - Texas ProStart

their transition to advanced economies is to establish a bipartisan political consensus for what’s needed to simultaneously solve the dilemmas of an economic crisis and ensure long-term economic growth.

From Middle-Income to Advanced Economies

Transition Services & Activities: Making the Connection We know that a student’s strengths, preferences, interests, and needs, combined with their postsecondary goals in Employment, Education/Training, and Independent Living (when needed), form the foundation of the transition planning process. To build on that

Transition Services & Activities: Making the Connection

Tools for Transition Project outreach materials include farm transition profiles, whole farm and enterprise financial analyses, and business planning materials. These were developed through the analysis of farm record data, participant surveys, and interviews with transitioning farmers.

Making the Transition to Organic-2

Making the Transition - MDRC

Transition Project: full, gradual, immediate, and split. These strategies are described briefly below and identified in the sidebar at the beginning of each transition profile. Full Transition all livestock and land at once. gradual Transition land one field at a time with the intention of eventually certifying all livestock and land.

Making - Welcome to The Montana Department of Agriculture

people develop the new identity, experience the new energy, and discover the new sense of purpose that makes the change begin to work. Because transition is a process by which people unplug from an old world and plug into a new world, we can say that transition starts with an ending and finishes with a beginning.
