The Nonprofit Email Marketing Guide - Fundraising

Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...

Mind share relates generally to the development of consumer awareness or popularity, and is one of the main objectives of advertising and promotion. When people think of examples of a product type or category, they usually think of a limited number of brand names. The aim of mind share is to establish a brand as being one of the best kinds of a given product or service, and to even have the ...
