What's really important in your life? Leading time management expert Chris Croft explains that the objective of time management is to maximise the time spent on the important things. How choosing short term enjoyment can lead to the price of regret in the long term. How to get the balance right between short enjoyment and long term achievement.

I guess there's more to come on this topic, and this is a brilliant writeup! My tip would be: after the event is done and people (hopefully!) enjoyed your talk, when it comes to sharing your work, my tip is *don't* just export your Keynote/Powerpoint slides to a PDF and upload them to Slideshare or something.
